190 CLASSIC Stand

Electric Airless Paint Sprayer

Endurance™ Pump Design

- Graco's proven airless pump design
- Delivers long life and reliable performance
- Quick access for easy cleaning or repair

Lightweight Design

- Offset handle with rubber comfort grip is positioned to kick sprayer away from leg for comfortable carrying.

Consistent Pressure Control

- Simple mechanical design for years of reliable use
- Control pressure from 10 to 227 bar

Chrome Plated, Welded Steel Frame

- Thick chrome over steel to withstand rugged environments

Swivel Inlet Suction Hose

- All aluminum construction is durable, lightweight and rust-proof
- No-tools removal of hose for cleaning or accessing inlet ball
- Easily swivels to reach paint buckets or cans

190 CLASSIC Advanced Features

TIPP!

Configure your sprayer to a customized Airless Enamel sprayer!

Adding a 5 liter hopper and a shorter 7.5 m x 3/16" hose with a FFA tip. This compact configuration offers extreme gun and hose handling flexibility and limits material inside the unit to a minimum. COMPLETE WITH pre-atomisation FFA tips for extreme fine finish quality.
